

# Jaguar Enthusiasts' Club Northants Region

Come and join one of the active and friendly regions within the JEC network. Well we think so!! We sometimes have talks, demos, visits and participation in some of the major national club events. We also like to have a social side to the region with cuisine evenings and weekends away. Club nights are normally well attended, with members turning out for an entertaining evening, or just a noggin and natter.

The Overstone Arms in Pytchley is quite well situated. Isham road starts where the A509 & A14 meet at junction 9. You can get there from the A43 and also Wellingborough via more than one route.

We meet every 2nd Tuesday from approx 8:00pm
